

Chapter 17.20

AIRPORT-RESTRICTED DISTRICT (A-R)

Sections:

17.20.010 Intent.

17.20.010 Intent.

The intent of the airport-restricted district (A-R) is to protect the land area associated with the safe operation of an airplane facility, including runways, taxiways, hangars, and other related items. Land use in this district is limited to crop production and airport-related activities. Any structure must meet the clearance standards established by the Federal Aviation Administration for a comparable facility. The limitations of this district shall be strictly interpreted for only the uses specified as compatible. (Ord. 386 § 610, 2002)
